**Note: Helicopter Fly In (September)**

Thanks to all that attended the annual helicopter event. It was a beautiful weekend and an ok turn out. Thanks again to Charlie and Rica for cooking. The Barbeque, it was a great success again. Thanks to everyone that contributed their time and effort to make our fly in a great success, including John Garst for his time as contest director. With out his efforts, this event would not be possible. The field was in great shape. Thank you to everyone than worked so hard to get it ready!!! Thanks to all for your help. We had fun and made some money for the club. Nelson will have final totals at our next meeting.

Any ideas for future events? Come out to our meetings and help plan our next event!

Also a thanks to Henry Caldwell for his donation of a helicopter for a drawing to help support his and our club. Congratulations to Charlie Davenport for winning that helicopter.
