*Black Sheep R/C Club*

*AMA Charter #2068*

Meeting minutes from Aug. 5th 2014

Meeting called to order at 6:40 By Morgan Pritchard

Minutes and Treasures report given and accepted.

## Old Business

As a way to recruit new members Nelson proposed a membership fee of \$45 for members of other Flying clubs. This was carried over from last month and was approved.

## New Business

I (Dennis Beard) offered a trade to the club. My 54" cut John Deere lawn tractor for the 42" cut Troy Built that Dick Russell just donated to the club. This was voted on and approved.

We discussed the new rules the FAA is proposing for our hobby. These could be very damaging as currently proposed. Check your AMA magazine for details. WE need to let our elected officials in DC know we are against these proposed new rules.

We welcomed Mathew Epps as new member.

There will be no food served this month.

That's it for another month. Hope to see you at the meeting
