AMA Charter #2068

Meeting minutes from Oct 7th 2014

Meeting called to order at 6:40 By Morgan Pritchard

Minutes and Treasures report given and accepted.

Old Business

We discussed our noise problem and the new no fly zone. It was suggested that we contact the neighbor and see if our changes have helped.

There will be a map showing the no fly zones posted in the impound shed this week. Does any one know of any better mufflers available for gassers that might help, unfortunately canisters won't fit in warbirds.

New Business

Dick Russell suggested we remove the trash barrels so we that we don't need to empty them. No decision was made.

The existing slate of officers was nominated for reelection, but since the meeting we have found out that our pres. Wade Calhoun is facing some medical issues and would prefer not to run again.

At this point J.B Dansby has agreed to run for President and Bob Huff has agreed to run for Vice Pres.

Nominations will still be open prior to the elections this month and we would welcome anybody willing to come forward and help.

We welcomed new members Steve Bowen and Vinnie Langella

There will be chile and cornbread at the meeting this month.

That's it for another month. Hope to see you at the meeting
